The Complete History of Disney

Following the success of our Summer 2018 course, Disney 101, we are thrilled to provide The Complete History of Disney.

This course will focus on the history of Walt Disney himself as a young entrepreneur with a dream, through his days of being one of the most successful businessmen to date.

The course will also provide in-depth detail of Disney theme parks history, including the rides, entertainment, and food.

We will look at how Disney, the company, has grown to be the multi-media giant that it is today, influencing modern culture the world over.

This course is perfect for everyone, from those who just enjoy Disney movies to the most seasoned of Mouseketeers! Join us on what is sure to be a magical semester.

Meet the Instructor

Courtney Braun: Courtney is thrilled to be teaching another semester for the PBS Campus Experience. As a recent graduate of Stony Brook University with a degree in Psychology, Courtney was a writer for the online school journal. She loves being able to explore the campus and the community of Stony Brook with others. Courtney has a passion for the arts, traveling, food and all things Disney! We hope you consider joining us this semester. It is going to be wonderful!

PBS Adult Education classes are taught using various instructional methods tailored to the specific needs of adult learners. Students will be encouraged to develop critical thinking, research and study skills, and utilize technology for learning and collaboration. All students inherently benefit from being engaged in an active college environment.

Space made possible through a grant from
Positive Behavior Support Community Foundation
