Social Media Getting Connected and Staying Safe

Social media is used in a variety of ways in our day-to-day lives. Many social media platforms exist, such as:

- Facebook
- Instagram
- Twitter
- Snapchat
- LinkedIn
- WhatsApp
- Email

Students will discuss and review the basics of using social media appropriately and the uses and benefits of the different platforms. Students will further explore safety issues, such as: personal privacy, awareness of strangers, appropriate content, cyber-bullying, scams, phishing, catfishing, information permanence and more. Students will leave this course feeling more confident in communication and networking through social media, while feeling prepared to use social media effectively. Students will leave feeling connected and safe.

Meet the Instructor

Courtney Braun: is thrilled to be teaching PBS Adult Continuing Education classes. At graduate of Stony Brook University with a degree in Psychology, Courtney loves being able to explore the campus and the community of Stony Brook with others. She has been accepted to the School of Social Work and will be returning to SBU as a student as well. Courtney has a passion for the arts, traveling, food and all things Disney! We hope you consider joining us this semester. It is going to be wonderful!

PBS Adult Education classes are taught using various instructional methods tailored to the specific needs of adult learners. Students will be encouraged to develop critical thinking, research and study skills, and utilize technology for learning and collaboration. All students benefit from being engaged with interesting material and collaborating with other students.
