## The New Age of Movie Musicals

A continuation of our popular “The Movie Musical” courses, “The New Age of Movie Musicals” focuses on the new style of movie musicals that we all love! Movie Musicals continue to be a staple of entertainment in households across the world.

Students will learn about advancements in the technology of film, movie musical stars of our decade, as well as gain new perspectives and analytic skills for critical viewing these movies. Some examples of new-age movie musicals include Mamma Mia!, Hairspray, Into The Woods, The Greatest Showman, and Cats!

Students do not need to have taken the first “The Movie Musical” course to join. All are welcome! Join us for a razzle dazzled early summer learning experience!
