

# THE NATURE EXPERIENCE

--- a PBS Adult Continuing Education Class

*The Nature Experience will enrich lives through learning about and having contact with the natural world. Polar habitats get very, very cold. Come learn about some of the animals that have adapted to survive in these extreme conditions.*

*The class is designed for individuals over the age of eighteen and is held at Caleb Smith State Park and Nature Preserve, located in Smithtown.*

## Animals of the Polar Regions

- Penguins
- Polar Bears
- Walruses (Tooth Walkers)
- Reindeer
- Lemmings
- Arctic Terns
- Seals
- Puffins
- Narwhals
- Beluga

### Eleven 2-hour sessions!

#### Each 2-hour session will include:

- a lesson on one or more of these (and more!) subjects
- a mindful hike focusing on the parks ecosystem and nature safety
- a wrap-up for group discussion, social time and snacks

The Nature Experience provides an all-inclusive social environment where friendships can develop through shared interests and experiences.

The Nature Experience will be offered seasonally.  
Classes are on Wednesdays from 9:30 – 11:30 AM
