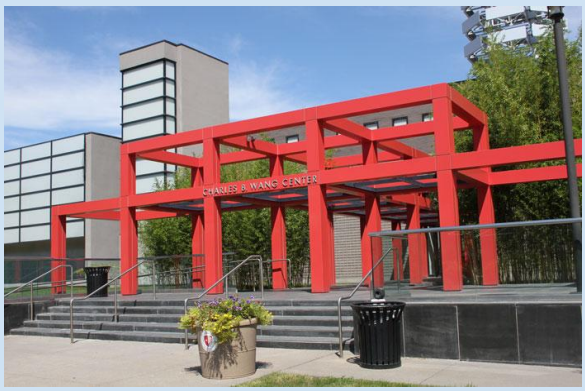
Questions? AdultEd@positivebehavior.org



This class takes place at the prestigious Charles B. Wang Center at Stony Brook University. With state-of-the-art classrooms, students are engaged in not only the culture and experience of their course but the college campus experience.

Course Description - Disney Through The Decades: Parks & Attractions

We heard you, our Disney-themed classes are back! This semester, join us for Disney Through The Decades: Parks & Attractions. As we quickly approach the 50th Anniversary of Walt Disney World, there is no time like now to learn about how these parks and attractions became a staple for guests of all ages and will continue to be for years to come! Students will engage in learning about each park and the most popular attractions from the designs and ideas of the Imagineers to the rider experience in 2021! Students will review and develop analytical thinking and planning skills to see how an idea was taken, adapted, and brought to life. Examples of attractions include The Haunted Mansion, Space Mountain, Jungle Cruise, and more! Students can expect to review the main plans for parks such as Magic Kingdom, Epcot, Hollywood Studios & Animal Kingdom and how they continue to include new films and ideas and ultimately transform into the beloved parks that we know today. This is the perfect course for any Imagineer, dreamer, or kid at heart.

Your Instructor: Courtney Braun-Murano

Courtney Braun-Murano is the instructor. Courtney is THRILLED to be teaching another semester with PBS Adult Continuing Education. Courtney is a 2nd Year Masters of Social Work student at Stony Brook University's School of Social Welfare where she specializes in Family, Youth & Transition to Adulthood. Courtney has just renewed her Annual Pass and will be returning to Disney in the late fall! Her favorite Disney ride is Pirates of The Caribbean and her favorite Mickey-shaped snack is the famous Mickey Pretzel. Courtney looks forward to sharing her knowledge of all things Disney while learning from the class as well. She looks forward to seeing faces old and new as we come together to learn about the adaptation of Disney Parks & Attractions over the years!

<u>COVID19 Clause:</u>

PBS ACE classes follow COVID guidelines of host facilities. Under further notice, masks for all students and supports are required regardless of vaccination status as well as safe social distancing. If future guidance mandates, classes may move to a virtual platform.

PBS Adult Education classes are taught using various instructional methods tailored to the specific needs of adult learners. Students will be encouraged to develop critical thinking, research, and study skills, and utilize technology for learning and collaboration. All students benefit from being engaged with interesting material and collaborating with other students.
