## Course Description: Musical Theatre Dance & Song

---

Are you a lover of Musical Theatre? So are we! This class will give all students, regardless of experience in performing, the opportunity to learn about and participate in the creative experience. Students will learn to be a part of a creative, collaborative atmosphere that fosters positive feelings and camaraderie among all the students - it is so exciting to be together again to learn, sing and dance to some of our favorite Musical Theatre songs! We will begin by learning lyrics and music, followed by choreographing each number. We will have a showcase finale for all, built on what we've learned and our passion and creativity! Join us, in-person, at The Smithtown Historical Society to learn some of the most popular musical theatre songs and choreograph our own dances to them. Students should be prepared to attend class in comfortable attire that allows movement and a water bottle to stay hydrated. Examples of songs include We Go Together from Grease, This is Me from The Greatest Showman, and Dancing Queen from Mamma Mia!

Social distancing and masking guidelines will be followed during class.

Courtney Braun is thrilled to be joining PBS for another remote learning class! Courtney is currently a graduate student at The Stony Brook University School of Social Welfare specializing in Physical, Psychological and Social Well Being. Courtney attended the Kennedy Center American College Theatre Festival (KCACTF) two years in a row, representing Suffolk Community College in their productions of Hair and Gypsy. Previously, Courtney has worked alongside various famous artists such as Ben Vereen. Courtney has been performing for over 17 years and has a strong background in performing, choreographing, and directing numerous shows. She is a founding member of CAST, the

Community of Actors for Supported Theater on Long Island based at Think Big Theatre Arts. She looks forward to seeing familiar faces old and new as we laugh our way through the semester with one another.

*PBS Adult Education classes are taught using various instructional methods tailored to the specific needs of adult learners. Students will be encouraged to develop critical thinking, research and study skills, and utilize technology for learning and collaboration. All students benefit from being engaged with interesting material and collaborating with other students.*
