See reverse side for course description.

Visit our website for schedule of classes and detailed registration instructions.

Registration: <http://www.positivebehavior.org/adult-education.html>

Questions: AdultEd@PositiveBehavior.org

No Reservations

Based off of the travel of the beloved Chef & Author, Anthony Bourdain, and our previous World Cultures Class, students will engage in a variety of experiences including culinary arts, travel plans, famous hotels, history, and culture across the world.

Students will plan mock trips worldwide, with a focus on budgeting, learning about the most popular tourist attractions, appreciating each cultures unique culinary arts, and more.

Join us as we travel the world together this semester!

Meet the Instructor

Courtney Braun is a lifelong resident of Long Island and has been exploring the Island her whole life. Her passions include finding new restaurants to try, visiting the water on the North Shore and traveling out East for day trips. Previously, Courtney has traveled to various locations including Ireland, Paris, and London. Courtney's passion for history and travel came from her Great-Grandfather, who would travel the world, documenting his journey through photography, videography, and art. Courtney is thrilled to be teaching PBS Adult Education classes again this year and looks forward to another incredible semester.

PBS Adult Education classes are taught using various instructional methods tailored to the specific needs of adult learners. Students will be encouraged to develop critical thinking, research and study skills, and utilize technology for learning and collaboration. All students inherently benefit from being engaged in an active college environment.

Space made possible through a grant from
