"Campus Connect"

*Connecting YOU to
your campus community.*

*Available to any student taking
any PBS ACE classes.*

How it works:

A Campus Connect facilitator will be on site between classes to help students access the broader Stony Brook University or LIU-Post student experience.

It is not a class; it is informal, voluntary, and is offered at no additional cost.

It's awesome to have options:

- *Varying topics & activities*
- *Access campus safely*
- *Learn about campus activities*
- *Scavenger hunts*
- *Film club*
- *Mindfulness & Meditation*
- *"Chat & Chew"*
- *Foster natural relationships*
