On campus in the Wang Center at Stony Brook University

HARRY POTTER & THE ORDER OF THE PHOENIX: A LITERARY & FILM ANALYSIS

Fridays 9am-10:30am; Instructor: Courtney Braun-Murano

Welcome students for another semester at Hogwarts School of Witchcraft & Wizardry at PBS! Following our successful semester focusing on The Goblet of Fire, students will explore the next book in the Harry Potter Series: The Order of the Phoenix. Students will be reading the book both in class and on their own to focus on literary elements and themes. Once complete, the class will view the film version through an analytical lens, comparing and contrasting the two works and how this piece (and the totality of the Harry Potter phenomenon) has impacted the world.

MEET YOUR INSTRUCTOR: COURTNEY BRAUN-MURANO

Courtney Braun is thrilled to be joining PBS for another semester at PBS ACE Campus Experience. Courtney is a recent graduate with an MSW. Courtney has a love for cooking and local cuisine, labeling herself as a "foodie." Courtney's passion for history, culture, and travel come from her Great-Grandfather who showed her at a young age what the world has to offer through his filmed trips across the globe. Courtney also has a strong passion for photography and the performing arts.
