Overview of Theater Arts

Overview of Musical Theater will cover musicals from their beginning to modern day and what makes them so special.

This course will explore American musical theatre and enhance students' knowledge of the arts, emphasizing the interplay of musical and dramatic values.

We will be focusing on productions that revolutionized the industry, whether through technological, musical, conceptual, or social innovations.

Students will expand upon their understanding of musical theatre history and its rich tradition.

Meet the Instructor

Courtney Braun has been performing for over 17 years throughout Long Island. Courtney attended the Kennedy Center American College Theatre Festival (KCACTF) two years in a row, representing Suffolk Community College in their productions of *Hair* and *Gypsy*. Previously, Courtney has worked alongside various famous artists such as Ben Vereen. Courtney has a strong background in performing, choreographing, and directing numerous shows. She is a founding member of CAST, the Community of Actors for Supported Theater on Long Island based at Think Big Theatre Arts. Join us for what is going to be one amazing semester full of song and dance, and all that jazz!

PBS Adult Education classes are taught using various instructional methods tailored to the specific needs of adult learners. Students will be encouraged to develop critical thinking, research and study skills, and utilize technology for learning and collaboration. All students inherently benefit from being engaged in an active college environment.
