Students will also engage in learning about the culture and fandoms of Sci-Fi and Fantasy that are influencing the world today.

Meet the Instructor

Courtney Braun is an absolute history buff when it comes to media, especially TV! She loves classic TV shows such as "The Brady Bunch", "Gilligan's Island" and "The Twilight Zone". Some of her favorite recent TV Series include "Game of Thrones" and "Outlander". Aside from binge-watching TV Shows, Courtney loves to spend her free time with her dog, exploring photography as well as performing locally. Courtney is thrilled to be teaching PBS Adult Education classes again this year and looks forward to another incredible semester.

PBS Adult Education classes are taught using various instructional methods tailored to the specific needs of adult learners. Students will be encouraged to develop critical thinking, research and study skills, and utilize technology for learning and collaboration. All students inherently benefit from being engaged in an active college environment.
